**Subject:** [Non-DoD Source] MCM Port Ops Demobilization

Ken,

Monday January 30th MCM will begin to demobilize, clearing out MCM office equipment, MCM records and personal effects from Port Ops. We will also start an indoctrination period for the transition of the Foreign Nationals to the MCM school project. Please be assured that MCM will continue to meet all of its contractual obligations until 1 February 2017 unless otherwise directed. Please let me know if you have any question or concerns.
